Dear Jeannie,

We are pleased at AAA Radio Group to have been a part of The Marketeer. It is a beautiful print piece which has attracted much attention here in Peoria.

The Marketeer is a strong business to business magazine for the Central Illinois market. It has been important tool for our account managers. They have used The Marketeer to show the support AAA Radio Group has for the local market and local businesses!

Jeannie, thank you for the great work you do for AAA Radio Group!

Sincerely,

Ann E. Johnston
