Dear Scott,

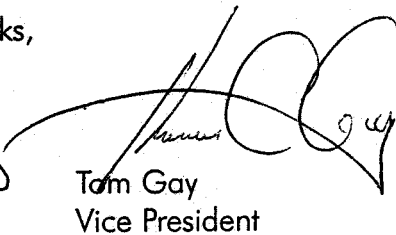

All of us at iNetz would like to extend our thanks to you and the rest of the team at The Marketeer for our article that ran in your October issue. The reason for our gratitude is the fact that that one article brought more business and gave us more exposure than any other form of advertising we have ever used. We have experienced a boost in sales over the last few months and would like to attribute you, in part, for our growth.

We would like to extend a special thanks to Jessica Kearley for all of her efforts and time! We realize it wouldn't have been as successful without her. You were all an absolute pleasure to work with and we look forward to working with you in the future!

With much thanks,
