Re: The Marketeer

Dear Kevin:

I just wanted to let you know that we exceeded all our expectations using The Marketeer. Getting something into the hands of business decision-makers is key in our industry, and The Marketeer did that. On the very first day of the magazine's distribution, we had six customers in our store from the ad and article, and those six customers purchased furniture from us! In all, The Marketeer produced \$40K to \$50K in new business for Office Furniture USA. We are extremely happy with the results, and we are looking forward to participating in The Marketeer program again.

Sincerely,

Ron McMillan
